HONOURS

Adobe UX Designers to Watch | 2020

Selected by Adobe as one of ten global up-and-coming User Experience Designers breaking creative boundaries.

EXPERIENCE

Barbican Centre: UX Lead | JANUARY 2020 - PRESENT

Helping colleagues across the organisation to understand and utilise user-centred design, embedding best practice and new ways of working so that we consistently produce gold standard content and experiences – both online and in person.

Citizens Advice: UX Designer | JUNE - DECEMBER 2019

Using research to understand people's problems and emotions, designing wireframes and prototypes that provided accessible support to meet user needs through multi-channel products.

Cancer Research UK: UX Designer | MAY 2016 - JUNE 2019

Producing superior digital content and products, conducting ongoing user research, and continually experimenting and iterating to create optimal journeys for all users.

Camden Council: Digital Experience | APRIL 2015 - MAY 2016

Maintaining camden.gov.uk, ensuring it was accessible to a variety of users in an appropriate tone of voice. Also managing projects to drive improvement, using research to inform decision making.

VOLUNTEERING

The Manna Society | 2020

Helping feed homeless people at the Manna Day Centre, London

Cancer Research UK | 2016 - 2019

Promotion and cash collection for World Cancer Day, the London Marathon, Stand Up To Cancer, Pride in London, etc.
